GIFTABIT

Congratulations on receiving your gift of a crypto-currency wallet! You have been gifted the revolution. If you haven't received crypto before, welcome to the club; you have joined millions of others who are working to build a more open, transparent financial system.

You have received your crypto in a software wallet called Coinomi. Follow these steps to access the wallet and the crypto inside of it:

1. Install Coinomi on your mobile device or computer. Visit https://www.coinomi.com/en/downloads.
2. Open the Coinomi app and select that you want to load a previously created wallet.
3. When prompted, enter the words below as the recovery phrase.

Recovery Phrase - Keep this safe and confidential

1.	9.	17.
2.	10.	18.
3.	11.	19.
4.	12.	20.
5.	13.	21.
6.	14.	22.
7.	15.	23.
8.	16.	24.

4. Once you have entered the recovery phrase, you will be asked to supply a password. This password is to access the wallet on your current device. If you want to move the wallet to another device, you will have to use the recovery phrase again.
5. You can open the wallet and see your crypto. Congratulations!

Keep Your Recover Phrase Safe!!

Keep this piece of paper safe and do not share it. If anyone gets the recovery phrase, they can take control of your wallet and empty the crypto. If you lose this paper, then you will not be able to recreate the wallet. Keep it safe and secure!

Visit **giftabit.today/crypto-gift** to learn how to use the wallet, convert it into cash or buy products or services with it, and give others the gift of the crypto revolution.
